27IP09GD BASK

SELLING POINTS : Pre-installed premium crystal. Hand-forged recycled steel. Hand-painted low-VOC finish. Hand-textured backplates and canopies. Handmade custom chain.

DESCRIPTION : There's a lot we could say about this sparkly new family. We could say that it is inspired by nature and is handmade by artisans. We could wax poetic on its pre-installed crystal and its comely shape. We could state that it presents crystal in a new and entirely un-stodgy way. Instead, we will simply say this: Bask is the crystal you never knew you wanted.
